a broken paw shouldn't break the bank!

unexpected vet bills can wreak havoc on your budget.

Petplan pet insurance can help! Petplan takes the worry out of paying for the care your pets deserve — so all you have to do is help them get back on four paws.

veterinary care is costly

Every six seconds a pet parent is faced with a vet bill over \$3,000.¹ In fact, something as simple as an upset stomach costs an average of \$500 to treat!² You can't predict your pet's health, but Petplan can help you plan for it.

When life gets "ruff," visit your vet, send Petplan your claim and receive a check in just days! Best of all, Petplan has a paperless app so you can send claims right from the vet's office on your Android or iOS device.

"Our 10-month-old St. Bernard, Bodie, was diagnosed with OCD in both shoulders. We've submitted three claims and each time we had a check within one to two weeks. AMAZING."

– Anne, Mel and Bodie

"Our beloved dog, Jake, was diagnosed with a cancerous tumor and needed ultrasounds, X-rays, aspirations, doctor visits and surgery. The insurance was a lifesaver. Without Petplan, I wouldn't have been able to afford all the care he needed."

– Rick, Sabina and Jake

"Thank you, Petplan, for giving clients peace of mind and helping them do the best for their beloved pets. As a veterinarian, I appreciate you helping me and my team practice the best quality medicine. There is nothing more heartbreaking than knowing we can help a sick pet but not being able to because of finances."
